Exclusive Armour Shield™
powder coated finish 12 step process

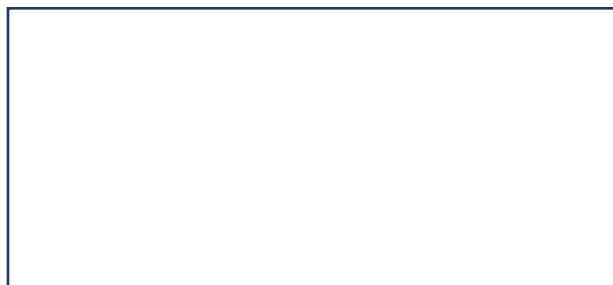

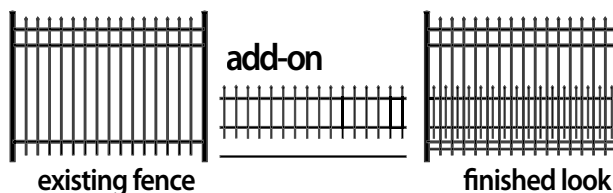

Every fence panel is assembled
with stainless steel, corrosion
resistant screws.
All fence components have a
minimum ultimate yield strength
of 35,000 PSI.
All our Walk and Drive gates are
welded for maximum strength.

Ask about patented add-on panels

- Pre-assembled for easy installation
- Rackable for installations with sloped ground
- Add on to most new or existing fence panels
